PERFECTION OF A STAR

SWANA DIAMONDS RING SIZES

Before printing the chart, make sure that you select 'none' as the option under the setting of the printer 'page scaling'. Use A4 size to print the following chart, and ensure that the scale was properly printed by comparing the measurement below with your ruler.

- ▶ If your ring perfectly fits the finger, you can place it over the nearest sized circle of the Ring Size Chart.
- ▶ The inner edge of the ring should align with the outer edge of the circle.
- ▶ If your ring appears to be between two sizes, we recommend you choose the larger size
